

# 4-H HORSE AND PONY PROJECT

In this project, youth will take part in a wide variety of 4-H equine projects including breeding, draft, drill, driving, English & western, gymkhana, judging, miniature, trail riding, and ponies. Horses and humans interact in many ways, not only in a wide variety of sports and non-competitive recreational pursuits, but in activities like agriculture, entertainment, assisted learning and therapy.

- Appreciate riding as a recreation; and promote love and humane treatment of animals.
- Learn horsemanship skills and understand equestrian breeding, training and raising.
- Acquire safety skills to prevent injury to persons and animals.

## 4-H THRIVE

### Help Youth:

#### Light Their Spark

A spark is something youth are passionate about; it really fires them up and gives them joy and energy. Help youth find what it is about horses that excites them.

#### Flex Their Brain

The brain grows stronger when we try new things and master new skills. Encourage youth effort and persistence to help them reach higher levels of success.

#### Reach Their Goals

Help youth use the GPS system to achieve their goals.

**Goal Selection:** Choose one meaningful, realistic and demanding goal.

**Pursue Strategies:** Create a step-by-step plan to make daily choices that support your goal.

**Shift Gears:** Change strategies if you're having difficulties reaching your goal. Seek help from others. What are youth going to do when things get in their way?

#### Reflect

Ask project members how they can use their passion for this project to be more confident, competent and caring. Discuss ways they can use their skills to make a contribution in the community, improve their character or establish connections.

#### Starting Out *Beginner*

- Learn about horse care.
- Learn the breeds of horses.
- Identify the parts of a horse.
- Learn about the nutritional needs of a horse.
- Explore horse diseases and how to prevent and/or treat illness and injury.
- Learn the functions of horse tack.

#### Learning More *Intermediate*

- Learn the basics of riding a horse in one of many styles like Western or English.
- Learn about horse showmanship.
- Learn how to clean horse tack.
- Practice riding safely with a group.
- Improve your riding skills in the ring and on trails.

#### Exploring Depth *Advanced*

- Assist younger members in improving their horse knowledge.
- Improve your show and/or riding performance.
- Plan and conduct an experiment in horse care.
- Present on topics pertaining to horses.

The activities above are ideas to inspire further project development. This is not a complete list.

# Expand Your Experiences!

## Science, Engineering, and Technology

- Explore various horse feeds and compare differences in ingredients.
- Design an experiment to see which saddle pad material keeps the horse the coolest.
- Examine the height of a jump on the trajectory of a horse.
- Learn about and help with restoration of horse trails.

## Healthy Living

- Create a presentation to teach young riders how to safely care for, handle, and ride horses.
- Compare nutritional needs of horses to those of humans and other mammals.
- Explore the need for biosecurity measures when handling livestock. Create a list of recommendations for competitive equine events.

## Citizenship

- Collaborate with others to provide a horse therapy event for disabled youth.
- Learn about various horse breeds and trace their heritage to understand other cultures.
- As your expertise grows, offer to judge at horse shows for youth.

## Leadership

- Teach others the importance of caring for another animal
- Use your new skills and knowledge to relay hippology to younger peers
- Become a role model for others by taking the position of junior/teen leader

### Connections & Events

**4-H Horse Classic Championship Horse Show & Educational Contests** – The championship horse show provides the opportunity for 4-H riders to compete at a level beyond local, county or regional events, while the educational contests allow members to showcase their equine knowledge.

### 4-H Record Book

4-H Record Books give members an opportunity to record events and reflect on their experiences. For each project, members document their personal experiences, learning and development.

4-H Record Books also teach members record management skills and encourage them to set goals and develop a plan to meet those goals.

To access the 4-H Record Book online, visit [www.ca4h.org/4hbook](http://www.ca4h.org/4hbook).
